

Amity Institute Agreement
Right to Privacy and Inappropriate Materials Policies

Intern Name (print): _____

Right to Privacy:

I agree to respect my host family and school coordinator/supervising teacher's right to privacy.

I agree not to post on any public site (including but not limited to facebook, twitter, blogs, and personal websites) any photos of members of my host family, or their home (interior/exterior) without the permission of an adult member of the household. I will follow school policies regarding posting of student photos. I will refrain from gossiping and will not post negative or critical remarks about my hosts or school coordinator/supervising teacher.

Inappropriate Material:

I will not access inappropriate, offensive or sexually explicit materials while using any of the technology (i.e. computer, phone, DVD player, IPOD, stereo, television, cell phone, personal digital assistants (pda) phones) made available to me. This includes technology at school, the host family home, any other personal residences in local community, local businesses, school district offices and any other public organization (library, college, universities, learning centers, etc).

I understand that I will be held legally and financially responsible for any wrong doing or incurred costs associated with breaking this agreement while participating in the Amity program.

I understand that violation of this agreement may be reason for cancellation of my visa sponsorship and participation in the Amity program, and cause for immediate return to my home country.

A Host School and Host Family representative are asked to sign this agreement to acknowledge that the Intern has agreed to Amity policies regarding right to privacy and inappropriate materials. Amity requests **Host Schools** to provide a thorough orientation about use of technology and media on school grounds. Similarly, **Host Families** should clearly explain house rules regarding use of technology in the home, around their children, and posts on social media.
